

TABLE 1: UPDATE ON LSL SEXUAL HEALTH STRATEGY

Action 2016 / 2017	Update	Link to Strategy Aim
<p><b>1. Prevention</b> Invest in prevention and reshape the commissioning of sexual health promotion to deliver improved health outcome</p>	<ul style="list-style-type: none"> <li>• Committed to 2 years funding of Pan-London HIV Prevention Programme.</li> <li>• LSL-wide HIV prevention programme for African communities and MSM procured (NAZ and Rise and GMFA Partnership).</li> </ul>	<ul style="list-style-type: none"> <li>- Promoting good sexual health</li> <li>- Reducing Stigma</li> </ul>
<p><b>2. Transforming Services</b> Develop and implement new model for sexual health services, whereby basic needs are met in the community, freeing up services to focus more in those most in need. This will include identifying optimum contracting mechanisms.</p>	<ul style="list-style-type: none"> <li>• Led the London GUM Collaborative Commissioning Partnership and developed contacting mechanisms, basic service specification and contracts which resulted in cost efficient tariff prices for first and follow.</li> <li>• Worked across London to refine the new Sexual Health Integrated Tariff payment mechanism which will deliver savings.</li> <li>• Agreed a new model of service provision with GSTT, KCH and SH24 which will be operational in October 2016.</li> <li>• Refined service specifications, care pathways and clinical skills mix within specialist GUM/RSH services.</li> </ul>	<ul style="list-style-type: none"> <li>- Improve access to testing and treatment.</li> <li>- Align strategic priorities.</li> <li>- Commissioning to improve cost effectiveness.</li> </ul>
<p><b>3. Primary Care and Pharmacy</b> Increase the capacity of primary care and community pharmacy to improve the cost effectiveness of sexual health services.</p>	<ul style="list-style-type: none"> <li>• Primary Care review completed and developing models to support the expansion of primary care HIV testing.</li> <li>• Engagement with pharmacy and contracting models explored with LPC.</li> <li>• Presentations to pharmacy on sexual health across LSL.</li> <li>• Commissioning plan for primary care and pharmacy developed.</li> </ul>	<ul style="list-style-type: none"> <li>- Improve access to testing and treatment</li> </ul>
<p><b>4. HIV</b> Deliver improved services for people living with HIV by implementing the recommendations of the HIV Care and Support Review</p>	<ul style="list-style-type: none"> <li>• Consultation on the proposals to mainstream HIV care and support services opened on 09.05.16 and ended on 29.06.16. These proposed that: <ul style="list-style-type: none"> <li>○ Advice and advocacy and counselling being provided by local non-HIV specialist services and assessment and signposting provided by the peer support service.</li> <li>○ A new pathway for counselling and mental health support</li> <li>○ Extension of the Peer Support assessment and signposting service.</li> </ul> </li> </ul>	<ul style="list-style-type: none"> <li>- Reduce rates of undiagnosed sexually transmitted infections and HIV</li> </ul>

	<ul style="list-style-type: none"> <li>○ No change to specialist HIV social care support (non-statutory) to families affected by HIV.</li> <li>• 203 survey responses were submitted and there were a number of focus groups and facilitated engagement events. The findings are currently being analysed.</li> </ul>	
<b>5. Abortions</b> Reduce rate of abortion and repeat abortions	<ul style="list-style-type: none"> <li>• Introduced brief alcohol assessments.</li> <li>• Strengthen and develop pathways for post abortion contraception with a focus on under 18s and 25-35 year olds.</li> <li>• Review pathways for long acting reversible contraception post abortion.</li> </ul>	- Reduce the rates of unplanned pregnancy and repeat terminations, especially for under 18 year old conceptions.
<b>6. Young People and vulnerable groups</b> Safeguard young people and reach out to the most vulnerable to improve their sexual health	<ul style="list-style-type: none"> <li>• Completed a strategic review of sexual health provision for vulnerable young people and first meeting held to look at how best to meet sexual health needs of vulnerable young people and integrate with other services across LSL.</li> <li>• Condon card scheme for young people procured and provide by Brook and went live in April 2016.</li> <li>• Re-commissioned WUSH service for young people for 2016/17.</li> <li>• Continue to support SRE provision in schools including faith schools.</li> </ul>	- Focus on those statistically most at risk of poor sexual health to health inequalities
<b>7. Service user involvement</b> Service user engagement	<ul style="list-style-type: none"> <li>• August 2016 will review our engagement mechanisms and ensure they are fit for purpose going forward.</li> </ul>	- Improve access - Reduce stigma
