Ward(s) or groups affected:		All	
From:		Proper Constitutional Officer	

RECOMMENDATIONS

1. To note the size and composition of the audit, governance and standards committee, as agreed by annual council assembly on 13 May 2017 and the roles and functions of the audit, governance and standards committee and its sub-committees (see Appendix 1).
2. To establish a civic awards sub-committee with the size and composition as set out in paragraph 10 of this report.
3. To establish a conduct sub-committee to consider complaints of misconduct against councillors (and co-opted members) as set out in paragraph 12 of this report.
4. To appoint a chair and vice-chair of the civic awards sub-committee.

BACKGROUND INFORMATION

5. This report is presented to the audit, governance and standards committee in accordance with Part 3K, paragraph 37 of the constitution, which requires the audit, governance and standards committee to establish the following sub-committees:
 - to consider complaints of misconduct against elected councillors and co-opted members
 - to consider civic awards.
6. Council assembly on 16 March 2016 resolved, following the amalgamation of the roles and functions of the former standards committee into the new audit, governance and standards committee, to retain the existing two standards sub-committees - civic awards sub-committee (for considering civic award nominations) and conduct sub-committee (for considering any complaints against members). The audit, governance and standards committee was established by the annual meeting on 14 May 2016 and maintained its structure in 2017-18 at the annual meeting of 13 May 2017.

KEY ISSUES FOR CONSIDERATION

Proportionality

7. Seats on committees and sub-committees must be allocated in accordance with the four principles of proportionality contained in sections 15, 16 and 17 of the Local Government and Housing Act 1989. When making appointments, committees (in

appointing sub-committees) have a duty to give effect to the following principles, as far as is reasonably practicable:

- (i) That not all the seats on a committee or sub-committee are allocated to the same political group.
- (ii) That the majority group must have the majority of seats on each committee or sub-committee.
- (iii) Subject to (i) and (ii) above, it must be ensured that the proportion of each political group's seats of the total number of seats on 'ordinary committees' reflects as closely as possible their proportion of seats on full council.
- (iv) Subject to (i) to (iii) above, the proportion of each political group's seats on each committee and sub-committee reflects as closely as possible their proportion of seats on full council.

Note: This rule applies to all committees, sub-committees and joint committees, except for licensing committee and community councils.

- 8. Sub-committees are not 'ordinary' committees and are each considered individually for the purposes of proportionality. So far as it is reasonably practicable to do so, the allocation of seats a sub-committee should bear the same proportion to the number of the seats held by that group on the council. The audit, governance and standards committee can agree an allocation that is disproportionate, provided no member votes against this.
- 9. The most proportionate allocation will depend on the number of members of the sub-committee. The following sub-committee sizes would provide the following allocation of places:

Size of sub-committee	Labour	Liberal Democrats	Conservative
Seven seats	5	2	0
Six seats	5	1	0
Five seats	4	1	0
Four seats	3	1	0
Three seats	2	1	0

Membership of the civic awards sub-committee

- 10. In 2016-17, the membership of the civic awards sub-committee included the following set out below. It is recommended that the same sub-committee arrangements are made for 2017-18. It is also recommended that the non-voting co-opted members set out below continue to serve on the sub-committee in 2017-18.
 - (1) Three Labour and one Liberal Democrat members.
 - (2) Ms Anne Wolfe, Ms Jacky Bourke-White, Mr Emmanuel Kwakye and Mr Gordon McCullough as non-voting co-opted members, representing the community, the Southwark Civic Association and local charities.

11. The committee is invited to appoint a chair and vice-chair for the sub-committee.

Membership of the conduct sub-committee

12. The membership for each sub-committee will be drawn from the pool of councillors on the committee, including reserve members. Sub-committees to consider complaints of misconduct shall be composed of three members. It is recommended that normally sub-committees are comprised of two Labour and one Liberal Democrat members (and two reserve members). Conduct sub-committees have a quorum of three members. An allocation process similar to that used in previous years would be used:
 - (1) The allocation system has two objectives, firstly to ensure quorate meetings and second, to ensure all members have an equal opportunity to serve on sub-committees.
 - (2) The constitutional officer will send out an email to the whips of the political groups informing them of when a meeting is due to take place. The whips then arrange for their group members who sit on the audit, governance and standards committee to volunteer for the sub-committee. This means that confidentiality is more likely to be maintained.

Each conduct sub-committee shall appoint a chair as its first item of business.

Appointments to sub-committees

13. Section 16 (1) of the Local Government and Housing Act 1989 provides that it is the duty of the authority or committee to exercise their power to make appointments to a body as to give effect 'to such wishes about who is to be appointed to the seats on that body which are allocated to a particular political group as are expressed by that group'.
14. There is no requirement that a seat allocated to a particular group can only be filled by a member of that group. Therefore groups have the discretion to allocate seats as they wish, including to a member of another group.

Community impact statement

15. The constitution enables people, including the local community where relevant, to understand the role that they can play in the decision making of the council and how the council will safeguard high standards of conduct amongst members and officers.
16. The civic awards sub-committee is intended to have a positive community impact by improving the administration and in particular the equalities monitoring of the civic awards scheme.

Resource implications

17. There are no specific budget implications.
