

# Non-strategic Traffic and Highway improvement

Appendix	7
Location	Forester Road
Proposal	Consolidate the TMO to maintain the existing one way operation.
Ward(s) affected	Peckham Rye

## Non-strategic Traffic and Highway improvement

A non-strategic traffic and highway improvement is a small project where the council proposes to modify the existing Highway layout. This may include changes to waiting and loading restrictions, traffic calming, improved crossing facilities etc.

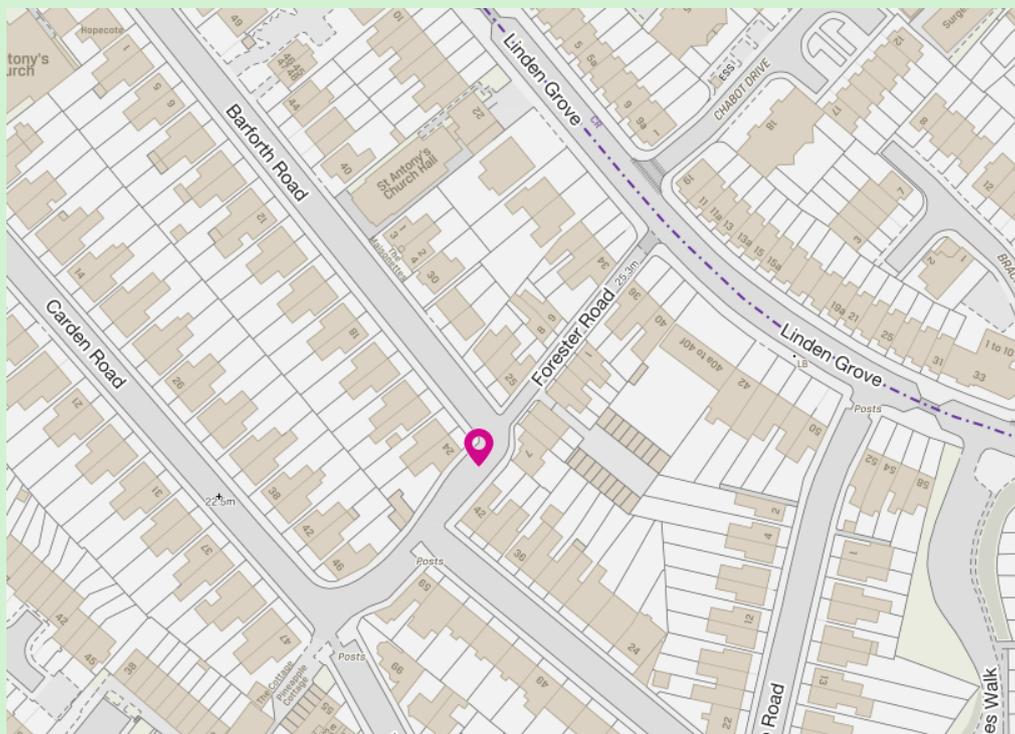

Under Part 3D of the council's constitution, the Cabinet Member is responsible for Transport Issues: To decide to implement a traffic and highway improvement project, subject to statutory consultation.

## Background / Request

- This request came from a parking enforcement officer, informing Highways of the need to consolidate the TMO for the one way on Forester Road to make it enforceable.

## Location

- Forester Road, Peckham Rye.
- Forester Road is currently a one way street.

## Investigation and conclusions

- Officers visited site on 23<sup>rd</sup> December 2019 and noted that the on street one way conditions need to be consolidated to make them enforceable.

## Recommendation

It is recommended that the one way operation on Forester Road be consolidated.

This proposal is subject to Traffic Management Order (TMO) statutory consultation. A TMO is the legal mechanism the council as traffic authority uses to control aspects of the way that the highway is used. They provide the legal backing to signs and road markings used on the highway and allow them to be enforceable.

A detailed design drawing of the proposal is provided within this document.

## Next steps

Should this non-strategic Traffic and Highway improvement proposal be approved, then arrangement will be made to carry out statutory consultation.

Following the statutory consultation period, the council will make arrangements to install the restrictions (road marking and signage).

Should objections be received during the statutory consultation period, these will be presented to the Cabinet Member for determination.
